RACING FORMAT and SCORING

1. The racing day will consist of one practice session, a timed qualifying session, one heat race and one Main event.
2. Practice Weigh-in Rule:

All karts participating in the race day practice session must weigh-in at scales. All karts must meet the minimum weight for their class and/or engine specification. Failure to scale or meet the weight minimum for your class will result in your Practice session times being disqualified and you will be moved to the back of the Qualifying session grid.

If you do not run the Practice session, you will be gridded at the back of your Qualifying session.

3. Timed session Qualifying format.
 - a. If a driver has a mechanical issue/failure while on the grid for their qualifying session and cannot make it on track, that driver may have a one lap qualifying session after the last qualifying group.
 - b. If a driver is a no-show and misses their qualifying session, they will be scored last in qualifying.

4. Heat 1: Starting grid positions will be determined by the official Qualifying session results. Competitors will earn points towards the year end Championship according to their official finishing position of Heat 1. See scoring table.
5. Main Event: Starting grid positions will be determined by the official Heat 1 scoring results. The Main Event official results will determine the race day's winner and podium finishers. Competitors will earn points towards the year end Championship according to their official finishing position of the Main Event.

CHILL CHALLENGE CHAMPIONSHIP COMPETITION

3. Top Qualifier bonus of 5 points will be awarded to the fastest Qualifying time in each class.
4. Points are awarded for the heat race based on order of finish. See scoring table for points awarded.
5. Points will be awarded for the Main Event of the day based on order of finish. See scoring table.
6. All DNF karts are ranked behind karts running at the end of the race, from the last kart out finishing highest, to the first kart out finishing lowest. DQ'd karts will be ranked after the DNF karts.
7. All DQ'd karts will receive last place points. If multiple karts/drivers are disqualified in the same race session, every disqualified driver will receive equal last place points.
8. Fast Lap Bonus: The driver who has the fastest lap time in their Main Event race will receive a 5 point bonus toward Championship points.

To earn Race Day Championship points the driver:

PROTEST

All protests of technical specifications legality, driver conduct and scoring must be submitted in writing by a registered racer from the same class in which the alleged violation occurred. If a kart specification is protested, the protesting driver's own kart can also be subject to full inspection. If an engine specification is protested, the protesting driver's engine can also be subject to full inspection. Verbal protests will not be accepted.

All protests must be submitted in writing to the designated Tri-C Karters official within 30 minutes after completion of the race that is being protested, or in the case of a scoring protest, 30 minutes after the official results have posted. After the close of the 30 minute window all races are official and final unless posted otherwise by a race official. The written protest must refer to (1) the specific Technical Manual page and section or (2) the specific section in the 2022 Tri-C Rules and Regulations document.

Anyone filing a protest on another competitors equipment must keep their own equipment in the post-tech impound area following the race. Once a competitor's equipment has been removed from the impound area, they have waived the right to file a protest on another competitor's equipment regardless of whether 30 minutes have elapsed from the completion of the race in question.

Only one protest from only one competitor in the class will be accepted for each incident or alleged technical violation. Once a protest is properly filed, no additional protest for the same incident or technical violation will be accepted.

The Race Director will make the decision based on information gathered by officials and involved competitors. The Race Director will then deliver the decision to the competitor.

Onboard video, third party video and/or photographs will not be considered as evidence in protests and appeals of on-track calls and violations.

Forms are available at the Tri-C tent and a copy of the WKA Technical Manual will be available to review.

Competitors only have one protest per race day.
