Qualifying grid position will be determined based on the Session 4 practice times. Competitors who do not participate in Qualifying will start at back of the Pre-Main on Sunday. ALL drivers on track must have a driver band.

- Pre-Tech Safety form should be turned in by Session 4 - drivers who qualify without having turned in tech form will be DQ'd
- Competitors must be at minimum race weight for their class beginning with Practice Session 4 .
- Race spec tires must be used beginning with Practice Session 4.
- \*100cc Seniors may choose either the A or B group per session.
- \*\*Please note lead follows with Kid Kart & Cadets allowed only during Session 1.
- \*\*\*Engine break-in session only for full size karts. NO hot lapping. Drivers may participate in their normal class practice in session 1.
